From the N2 (either direction) take the Macassar Rd off ramp. Turn towards Firgrove (signposted) and then travel about 1,3kms (through the traffic lights & over the rail bridge).

Just after crossing the bridge turn into Quantum Road (look out for ALE building) then turn into the side road between ALE and Go Park.

You will see the Jones Lab signage but please drive around the back of the building and you will see it again – we are there
